Dear Club,

I'm a pretty lucky woman. I have a great high-powered job as a lawyer in London, and live in a smart flat apartment in a trendy area. I'm also highly sexed and happy with my body – being a well-toned busty brunette usually gets me plenty of attention. Having a demanding job means I frequently need to wind down, generally by masturbating... with my telescope! I'll explain...

I love being a voyeur – the idea of watching a couple having sex really turns me on. Lately I've noticed a fit new neighbour in the flat opposite mine has been having various women back to his pad. I can see clearly into his place, and – as he doesn't seem to believe in curtains or even nets – I get a full view of what he's up to. It helps a lot that I just happen to have a high-powered telescope!

One hot sticky night recently I was sitting

at the window naked, feeling horny, and peering through the 'scope to see if there was any action. What a thrill it was to see my neighbour's naked muscular frame positioned behind an equally naked luscious redhead on his bed! As I watched his hands stroking over her lovely tits, my fingers automatically wandered down to my pussy, and I started frigging myself off slowly while enjoying the scene unfolding before my eyes.

They shifted position, with the curvy babe now bent over to lick my neighbour's magnificent cock. I could see it twitching in anticipation as she lightly licked the tip before taking the whole length of the shaft in her mouth, and hungrily going down on him. I moaned in lust as I watched his head thrown

back in pleasure at her expert technique. Squeezing my heavy tits, I imagining his hands all over me, and my fingers thrust deeper into my sopping snatch. It felt wonderful – but I wanted more. I needed my monster vibrator to try and match what this man's glorious thick cock must feel like. I quickly grabbed the vibe and returned to the telescope.

He'd flipped the redhead onto her back and was already pounding her pussy. He raised her legs up over his shoulders so he could penetrate her as deeply as possible, driving that cunt-oiled prick into her. With each thrust his fat, glistening tool seemed to get harder and more soaked with this girl's copious juices. She was loving it – and so

was I! By this time I had the vibe going full speed, slamming it into my soaking fuckhole, imagining my nasty neighbour was thrusting into me. As the horny redhead writhed on the bed under his steady rhythm, the vibe brought me off to a knee-trembling orgasm. But it didn't stop there! This guy was a sex machine, and I was still eager for more!

The guy now had the girl on her side, so I could see her jugs bouncing as he pounded her from behind. I could even just about see her engorged pussy lips sucking down the length of his ramrod as he pumped her to seventh heaven. I just couldn't get enough of this action, and was frigging myself off wildly as my fanny just kept on leaking juice, making the stool I was perched on decidedly slippery. It was all I could do to keep my eyes on what was

BABE BIO!

Dear Club,

Firstly, congratulations on your 40th year of publishing *Club International*. I bought my first copy last week and will definitely buy further copies if the girls are as attractive as Pippa. I wish her every success in her modelling career. Pippa is a gorgeous looking girl and was presented very well by your photographer.

I would like however to make one request which I feel would enhance your magazine. Can you extend your printed introduction for each girl? I appreciate *Club* is a porn magazine but am sure that the girls have more interests than going down on their best mate or taking it up the arse. Please can we have broader information such as any interests, hobbies, taste in music, where they are from, previous job... anything to provide some personality. It'd also be good to know their vital statistics. Thanks again for my first issue.

Paul, via email

Glad you liked your 1st issue, Paul, it's never too late to enjoy the women of *Club*! As for the words with the girls – many are reluctant to share too much (in this day and age, you don't want too much personal info floating about) but we can't seem to stop them talking about sex. Maybe it's because they're always feeling horny when they're on set and stark naked! We'll try our best for you, however.

PEACH OF A TEACH'

Dear Club,

I never thought I could fully enjoy a virtually blonde-free *Club*, but the pictures of Sasha with the cane were absolutely spot on. With the tan stockings and white undies, I showed my appreciation many times. The only slight disappointment was the fact the skirt came off too quickly. Please keep up the great outfits, Sasha. I don't think it would be a bad idea to have a *Club* Sasha special wearing every sexy outfit.

My ideal *Club* would have a good mixture of blondes and darker-skinned girls in white or dressed up as secretaries. It's the variation in outfits that keeps things exciting.

J, Notts

Much appreciated J, and we've passed your kind words on to Sasha. Keep your eyes peeled in a couple of issues where Sasha does her bit for the NHS as the sexiest nurse we've ever had in these pages!

happening across the way as I rubbed myself furiously. Just as I thought he was going to climax, he surprised me again by pulling his dripping dick out of his guest's cunt for her to her lick her cum juice off it. Then, just for good measure, he began fucking her tits!

As the girl pressed her exquisite melons together around his rock-hard erection, he shuddered slightly before showering her tits and face in thick sticky jizz. His prick was still pumping protein as the greedy girl leaned forward to gulp as much of it down as she possibly could. I watched enviously as she licked her cream-covered lips and grinned up at him, fully satisfied.

I should be able to locate his flat and ask if I can join the party sometime. Much as I love being a voyeur, sometimes you've just got to get the real meat!

SIM TITTY! ♣

Is that corset coming off? Corset is!

Simony, that corset doesn't look very 'quickie friendly'. A man could lose his wood trying to get that off you.

"Ah, but look closer," says the European minx. "It doesn't actually cover anything important. I can pull my skirt up for access to my pussy, and my top down for access to my tits. Perfect!"

Thank fuck for that, we were worried you were going through a chastity belt period.

"You know me better than that, surely! I like fetish wear, but nothing that gets in the way of my sex drive. I'm the kind of girl who needs cock when she needs cock, straight away with no messing around. I can't be waiting around for clasps and buckles and zips and ropes and laces. I just want to part my pussy and stuff a big fat cock deep inside it."

Ah, now that's the Simony we love.. ♣

Sasha's Secrets

Every month, Club's sensational regular girl Sasha will act out your fantasies. She's not shy – write to her and tell her exactly what you want her to do. Who knows, you might be lucky enough to get Britain's fittest lass juicing up over your letter and then making it come to life. Oh, and she gets even dirtier online, where we've got the pics we can't show you in the mag!

Sasha

O kay, so this might be the most minimalist outfit I've worn so far! Blame reader Walter from Birmingham if you're not happy, but he just wanted to see me dripping wet from the shower – and he'd be holding the towel ready to dry me off!

I've had some of my best sex in the walk-in shower at my place. There's room for two – or three at a squeeze – and once you've thrown a lot of bubbles into the mix, anything can slip into pretty much any hole. And if things get too dirty, well, you're in a shower! Best of all in a shower is standing up doggie style. Just sticking my arse out and getting it from behind while the water soaks us both. Although I don't want that nice spunk washing away – save it for my mouth! ♣

A woman with dark hair is posing nude on a light-colored stone wall. She is lying on her side, propped up on one arm, looking towards the camera. Her skin is glistening, and she is wearing a ring on her finger.

Dear Sasha

While awaiting the wonderful pictures of Sasha in the nurses uniform I spotted a cheap copy of a mainstream film, *My Bollywood Bride*. The gorgeous Indian babe is wearing white on the front cover and a traditional outfit on the back. My mind drifted away in the shop and the onto feeling of lifting a white dress from the rear on an Indian babe. Maybe Club can pull it off!

J, Notts

Lovely to hear from you again, J. The Editor has asked me to say sorry for cutting your letter down so much, but I've got the original tucked under my pillow for long wanks! I'm not sure it's a Bollywood production – despite my heritage I'm a British girl after all! – but you can check out my 'white wedding' outfit in Club very soon!

Dear Sasha

I just watched the Royal Wedding on telly and must admit I got a bit miffed with everyone banging on about how beautiful Kate Middleton is supposed to be. I suppose she is by Royal standards, but I see fitter girls every time I walk to my local newsagent. And she's not a patch on you either, Sasha, although you're far too good for the stuffy royals!

Joe, Holbeck.

Thanks Joe! Some people say it's every girls' dream to be swept off their feet by a prince, but it's not mine. I prefer down-to-earth men who might pamper me one day, then surprise me by taking me hard in the woods the next. As for Kate Middleton – well, I've fucked hotter girls in films before, but I'd definitely have a go! ♣

PORN STAR RETIREMENT HOME

Where we look back at the cock-slurpers who hung up their chaps...

No. 9 – STEPHANIE SWIFT

There's no doubt about it, Stephanie Swift is an all-time classic porn star. Between 1995 and 2009, the 29-year-old actress appeared in nearly 400 hardcore films, putting as much gusto into her acting as her sex scenes, wrapping her lithe figure around any number of cocks. During her career, the Louisiana-born multi-ethnic brunette won bucketloads of awards and drank bucketloads of semen, but

always gave the impression of being a sweet girl, and smart to boot. Sadly, Swift retired from the industry in 2009, after being diagnosed with breast cancer. She has had multiple operations and chemotherapy, and as of March this year has been given the all-clear – we're very glad to hear that. Lots of porn stars turned out for charity events to help raise money for Stephanie's treatment, which is heart-warming to hear. She's now affiliated to a religious website called *xxxchurch*, which helps porn stars who want to quit do just that (which sounds spoilsporty, but if they really wanna quit then it's fair enough). So no, we won't be seeing Steph onscreen again, but at least she's left us with a great body of work. God bless her.

BIRD OFF THE BOIL

YOU WOULD, WOULDN'T YOU? OR WOULD YOU?

THIS MONTH: **Kim Basinger**

We all age. It's a sad, hopeless fact of life that we're all headed in the same direction on a merciless timeline, and as we do our bodies sag, wrinkle and shrink until we're shadows of our former selves. Now, when you're an overweight misanthrope who spends 17 hours a day staring at a PC screen, this doesn't matter. When you're a glamorous Hollywood actress, it just isn't fair.

There was a time every man in the land would've given a bollock to shag Kim Basinger – she was a walking wet dream in the 80s, appearing in films like *Never Say Never Again* and *Nine and a Half Weeks*; a walking MILF in the 90s, winning an Oscar, no less, for her turn in *LA Confidential*. But now she's a lady approaching her 60th, and no matter how much of the old Basinger she resembles, there's a bit of nan too. Which is always going to put one off one's stroke. Life stinks.

NEWS OF THE SCREWS

YOUR MONTHLY ROUND-UP OF THE BIG STORIES IN THE PORN BIZ

Sheen's Queens

The whirlwind of Charlie Sheen nonsense this last few months has dovetailed in and out of the porn world. The most recent exploits have involved a porn parody starring his pal Kacey Jordan, Not *Charlie Sheen's House of Whores XXX*, his first ever tweet being a photo of him hanging out with Bree Olsen, and the sadder news that Kacey attempted suicide this March, in public fashion. She tweeted "i took a bunch of pills ... drank a hotel size bottle of jack ..." along with some other desperate-sounding tweets, was apprehended by police and taken to a secure unit for evaluation. We hope the minx sorts herself out soon.

Brittany's Fears

Amongst the devastation and tragedy of the Japanese earthquake and tsunami this March was a small story of a porn star trying to get home. Brittany Andrews was staying in a Tokyo hotel when the quake struck, and was trapped on the 48th floor for hours as floors below her and other survivors caught fire. She live-tweeted through the event, and then, when stranded at the airport later in the day, started recording interviews with other stranded travellers for a documentary she plans to release (she spent two years at film school). While we're looking forward to it, we'd like to urge Brittany to include at least one three-way anal gangbang in the project. You know, for old time's sake.

THE BIT ABOUT BABES WHO LOVE TO BLOG...

Multi-racial minx Katsuni (we count French and Vietnamese in her heritage, but she lives in the US and has a Japanese name too) is an avid tweeter, runs a little blog (www.ilovekatsuni.com) where you can watch vids and webcams, and tweets in English and French (but thankfully usually translates for us mono-language speakers). She keeps her followers nicely updated with what she's up to, whose dick she's gonna be gargling with that day, and her thoughts on the world we all

walk upon. She's fun, sometimes a bit snarky, and very chatty with those who send her messages, so kinda ideal really if you want to stay up till four in the morning, dick in hand, sending messages to girls you like to think about when you're doing lonely-sex. Here are a few choice tweets from recent months:

"7.35am goood mooooorning Vietnaaaam !!!!"

"Since I discovered Angry Birds I'm able to stay more than 1h at the gym."

"Back on the roads! Spending another night in the train...alone..no kisses, no cuddles. :-("

"What am i doing tonight? Travelling by train.. Going somewhere in the mountains where i may find... Dragons.."

"About to buy a box of 'king size' condoms..I'm already turning red...:-)"

Point your web browser at www.twitter.com/katsuni to follow (and not in a stalkery way) this pert little piece of exotic ass. And tell her bonjour from me!

Top Five...

Catwalk Queens

They're not just clotheshorses, they give our willies a bit of a boost too...

5: Agyness Deyn

She's the trendy one whose haircuts always look like they've been done with a geometry set, but she's got a cracking bod and doesn't mind showing it. Yeah, all of it. We've even seen that special bit where periods live. You'd probably cut yourself on her bones but we'd do her.

4: Lara Stone

The gap-toothed Scandinavian has settled down with Little Britain's David Walliams but it doesn't stop us from pretending she's married to us. Along with all that entails (sex). Matt Lucas doesn't know what he's missing.

3: Heidi Klum

Heidi Klump, more like! Ha! Geddit? Cos a clump is a fanny? See? Haha! Anyway, she's got great tits, is probably a billionaire, and is well fit, innit. Lives with Seal, does loads of TV and according to the Editor, who interviewed her, is 'lovely'.

2: Kate Moss

Recently seen stalking the bafflingly popular BBC web sensation Misery Bear for Comic Relief and fagging on the catwalk in Paris, our Kate is still modelling the shit outta things, 20 years after starting in the biz. Go Kate!

1: Gisele Bündchen

She's stunning, Brazilian and has got a Brazilian (we've seen it!), along with being the highest-paid model in the world. So if she asks you on a date, FFS say yes! That surname isn't very Brazilian though, so let's hope she's not a secret WW2er.

SEXY SEX FACTS ABOUT SEX

Women are most likely to want to have sex when they are ovulating (so make yourself a little diary if you wanna get the ball & chain to give you a regular reacharound)

Among sexually active adults, lesbians have the lowest incidence of sexually transmitted diseases (which is probably something to do with dental dams, right?)

The practice of autoerotic asphyxiation (strangewanks) takes the lives of 250 to 1,000 people each year (according to extremely unverified sources)

NAME: Lacey **AGE:** 22

FAVE SEX: Ruining hotel rooms.

WHAT'S SHE LIKE? A booby brunette who lives to bang!

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?

Easy – no other magazine has girls who are a) that hot and b) that sexy. I need both!

SO YOU LIKE THE GIRLS?

Oh, only in magazines and in films, enough to fuel a wank. When it comes to sex only a man and his big dick will do the job.

GOOD TO HEAR. WHAT'S YOUR PARTY TRICK?

I'm not sure I've got one, unless you count wrecking hotel rooms. I love to hire one out, pick a guy to go with, and then fuck him so hard and so long that the place is totally in ruins.

EXPENSIVE HOBBY.

Not if you're not paying, it isn't! I've got into filming sex as well recently. I love watching myself back on my phone afterwards – I see this cum-soaked babe taking it up the arse and it's like looking at a totally different person!

SO YOU GET LOST IN THE MOMENT?

Do I ever. It's no wonder I've left about two dozen hotel rooms looking like bomb-sites! ♣

MUFF RESPECT! ♣

Nadia carefully avoids shaving rash...

In these depilatory days, Nadia, it's rare to see a bush even half as hairy as that one.

"Well, I'm normally totally shaven," says the 23-year-old Londoner, "but I fancied a change. Maybe fashions will change and hairy pussy will come back in."

It could happen.

"The key is, however," she continues, "that my undercarriage is all trimmed and easy to get to. I'm only hairy at the top. There's still easy access to my pussy and clit for cock and tongue."

It's the future... ♣

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

TAPAS & TAPPED ASS!

I was reluctantly dragged over to Spain on a business trip as part of a small negotiating team with my firm. Being more used to beach holidays and a bit of sun, sea, sand and sex when over in Spain, I found myself yearning for all those things whilst being stuck in various tedious meetings whilst the sun shone in through the office windows. The other thing that put me off my stride was having to spend time with my boss, who had been giving me a really hard time. He said it was for my own good, but I suspected that it was because he disapproved of my happy-go-lucky attitude to life. He thought I should be 'growing-up' and 'taking some responsibility'.

I'd made a drunken advance – which he'd rejected – on a work's do on account of his own rule of no workplace entanglements and I had got an unofficial warning from him as to my future behaviour when I was almost caught fucking a client in an empty office. To

be honest, I think he was looking for any excuse to get rid of me. However, despite the various tensions, I was beginning to enjoy myself and could feel the magnetic pull of the cloudless blue skies re-energising my very being.

After a successful meeting, the guys decided to play a round of golf. It was meant to be a relaxing afternoon for everyone to just chill-out but I'd never swung a golf club in my life and managed to excuse myself from proceedings. However, I was happy enough lazing in the sunshine with a margarita and my book. I have to say that my book was a bit on the saucy side and that, combined with the sunshine and the drink was making me horny. It was just as I was thinking along the lines of disappearing back to my room and digging

“My third orgasm was massively heightened by having two cocks in me”

out my trusty vibrator that a guy I'd been chatting to the previous night wandered over and said, “Hello.”

He couldn't have timed it any better and I suggested that we go for a little walk. We both knew what that really meant. Even so, as soon

as we were out of sight of the clubhouse, I think he was pleasantly surprised to find himself being dragged-off into the bushes. However, the bushes in question were very sharp and hardly inviting for what I had planned and I hastily dragged him off to a steep sandy bunker. Before he knew it, I had his shorts open and his lovely cock was out and slipping into my mouth. It was a fantastic feeling as I felt it inflating rapidly, responding to my eager touch. I alternated between sucking him off and wanking him whilst he reached out and fumbled with my top until my tits fell free. I pulled his cock onto them and rubbed his sensitive flesh over and between my boobs and he groaned as I pressed them together and gave him a tit-wank.

However, I was after a proper fuck and I sank back and opened my legs invitingly, allowing my little white skirt to ride-up and expose my knickers. Soon enough they were tugged down and as he parted my legs there was nothing blocking his access to my shaved little pussy. He went down on me and I couldn't help but gasp as his tongue explored my most sensitive areas. It was just what I needed as he sucked hard on my clit, pulling on it and teasing it with his swirling tongue. I was so horny that I climaxed powerfully within a few seconds. That was obviously the signal to play his final approach

shot and I was impressed as he sank his putt straight into my hungry hole. We fucked like animals; my hips ground into his as he pounded me, hard, fast and deep, taking me to another staggering climax.

Normally I'd be more than satisfied at this point, but I found that I was still hungry for more. I pushed him over and rolled on top and bounced myself towards another climax. However, I suddenly realised that we were no longer alone in our bunker. I was horrified to look across and see my boss staring goggle-eyed at me. Of all the people who should catch me at it! "Dole queue here I come," I thought to myself. However, my horror was replaced by shock as he took a quick look around and dropped into the secluded bunker, unzipping his flies as he did so, and pulled-out his cock!

He must have activated some kind of recessive exhibitionist gene or something because I quickly got over the shock and resumed my shagging. I wanted to show him what he had turned down and if anything I exaggerated every aspect of what was now a performance fuck. At first he just wanked himself, ogling my glistening, semi-naked body as I continued fucking in the sunshine. He was getting a great view of my bum and must have been able to see my slippery, cock-filled pussy, which was an enormous turn-on for me.

As he came closer, it was obvious that he was hoping that I would offer to suck his cock. I liked the way that he didn't assume that it'd be OK for him to just stick it in my

face. I bet he thought that there was no way that I was ever going to give him the satisfaction after all the grief he'd given me over the past few months. However, just the thought of it was making me shiver with sexual anticipation. I knew that he was desperate for me. I wondered what my colleagues would think of me if I did it. The ones who knew what I'd done in the office wouldn't be surprised, that's for sure. I found myself thinking, 'What harm could it do if I just gave him a little suck? He'll probably explode on the spot anyway.' 'Hmmm,' I thought to myself, 'my boss' cum spurting into my mouth!'

"Come here," I demanded, "let me have a look at your thing." It was a good-looking cock as I always knew it would be. My heart was pounding as I reached out and wrapped my hand around its base and pulled it into my open mouth. It was hot and salty and I was aware of every throbbing lump and bump on its gristly length as it slipped into my mouth. Suddenly I was servicing two cocks, behaving like a depraved slut and loving every minute of it. I took my boss' cock as deeply as I could, before releasing it,

watching it twitching in the sunshine, now glistening with my saliva.

Reaching over to continue working it, I pulled him in closer and took him into my mouth again. I released it breathlessly and he moved around out of sucking distance. I felt

his hand on my back, which then traced slowly down my spine and continued down until a fat finger touched my arsehole. When it lingered, I realised with great excitement what the mucky bastard was up to... and that I actually wanted him to do it: He was going to try and push his finger up my bum.

I know other girls do it and I've read Peaches and watched anal pornos a few times, but I have never done anything anal before myself. I wondered whether he'd be able to get it in my bum and what it'd feel like if he did. I didn't have to wait long as I felt my bum penetrated for the first time. It felt deliciously dirty, especially in view of who was doing it. I could hear him jerking himself off and thought that he might just wank himself off over the dirty thing he was doing to me but we both knew that he wasn't going to stop at just fingering my willing arse.

Sure enough, he moved into position behind me and I felt his slippery cock touch between my buttocks. I could smell coconut oil and realised that he must

have been lubing himself up with something. My heart jumped again as it seemed that he might actually succeed in getting it into my bum. I really hoped he could. I wriggled round and spread my bum as wide as I could with the cock still driving into my pussy. My boss' cock was soon nestled in the crack of my bum and after several failed attempts, I reached back to guide the pressure right onto my bumhole. Something kind of opened-up and suddenly it was inside me, pushing deeper. I came so hard that I thought I might actually pass out. The throbbing pleasure of my third orgasm was massively heightened by having two cocks inside me. It felt intensely different to any other orgasm I'd experienced with both holes engorged on cock, stretched open and aching with pleasure as both guys continued to pump cautiously into me. It was like I was having one deliciously long continuous orgasm.

When the pulsing in my pussy finally stopped I was totally spent but was still determined to enjoy every sensation as the two cocks pumped their way more and more vigorously towards their own climaxes. My boss was first to go, simply pulling out of my bum and emptying his load all over it, no doubt fulfilling his every secret fantasy in doing so. I was sure that he was memorising every detail.

This kind of put an end on the fucking and I slid down guy number one's (I never did find

doggie position, I rearranged her on the ground, setting her up in piledriver instead.

"What's this?" she questioned.

"You'll see," I smiled.

Jerry grabbed the girl by the ankles and spat a wad into her arsehole. He eased in cautiously until her gaping bum gave him the thumbs up to continue with a rougher ride.

After a few minutes of adjusting, Jerry was fucking her arse super-hard while I worked on her slit and clit with fingers and tongue. She was double stuffed and loving every minute of it.

"More! More! More!" she cried, spilling her orgasmic arse load all over while her pussy continued to drip. I licked up every bit of her cum splash and lowered my face

down to hers so she could get a sampling of her own delicious sex sauce.

After another half hour of pussy and arse swapping, Jerry pulled out and wanked his load all over the both of us. It was an incredible experience and another touchdown on the scoreboard for this insatiable MILF!

To be honest, this was a real turning point for me at work: Far from being in danger of the sack, I now really look forward to my boss giving me a hard time. Gail, Cumbria

PUMPING IRON!

It pleases me beyond imagination that MILFs are so well received these days. I'm a hot forty-something woman who has been scoring fresh pieces of younger meat for the best part of a decade. I find that inexperienced men love the passion, skill and erotic expertise I'm able to provide, that completely blows the younger girls out of the water! For a woman like me, scoring any man I want is as easy as one, two, three. My gorgeous face, bouncing boobs and tight arsehole speak for themselves.

Last week in the gym I was reminded of my undeniable hotness when the most sought-after body builder, a lunk named Jerry, chose me instead of the twenty-something twat in the lavender leotard. I couldn't help but giggle at her weak game. She grabbed a pair of oversized hand weights and began to fumble around, acting like a helpless damsel in distress. Jerry paid her no attention. Not getting any satisfaction, the twit tried another trick that also went unnoticed. After the third attempt I started to laugh out loud at her lame attempts at seduction.

"Watch how it's done, sweetheart," I purred, gliding over to Jerry to rub the sweat trail that was running down his chest. When face to face with this primitive stud, it became evident that his cock was much bigger than his IQ. I decided at that moment that action instead of words would work best in this situation. I grabbed his arms, pulled them open and licked all the way from his nipple to his naval.

"I thought you could use a little clean-up," I

murmured, watching the shape of Jerry's cockhead round out the crotch of his nylon gym shorts.

"Damn, you don't fuck around!" he gasped in utter shock.

"Oh yes I do..." I smiled, falling to my knees to get better acquainted with his gorgeous prick. Once face-to-face, I guided his meat

“ Jerry grabbed the girl by the ankles and spat a wad into her arsehole ”

into the back of my mouth, salivating and sucking on his sweaty stick. I ran the surface of my teeth over each and every curve of his penis and even sank a bit lower, resting his swollen nuts on my forehead to make his taint more accessible to my tongue.

"You can't do that in here!" the other girl shouted, tapping her feet. I rose from between Jerry's legs long enough to grab the girl by her blonde ringlets and bury her face in his groin, along with my own.

"Shut up and suck!" I cautioned her, keeping her hair in my hands as I helped guide his meat down her throat. "Stick out your tongue and wiggle it underneath." I watched the favourable response on Jerry's face. When he was rock hard I pushed him down on the weight bench and mounted his cock in cowgirl. I held his arms over his head and began to grind my pussy in a figure of eight.

"Keep his balls wet!" I called out to the other girl, who at this point was sitting between Jerry's legs, helping feed his cock into my pussy. She leaned into our action, lapping up our combined sex liquids as they came spilling out of me.

"I'm so fucking horny!" the girl gasped, clapping my arse cheeks together and surprising me every now and again with a flurry of fingers up my bumhole. After my third orgasm, I hopped off Jerry's knob and told the girl she was up next. As she squatted into a

Famed – justly – for her incredible arse, Alexis Texas is nevertheless a little bit miffed that the public are unfairly maligning her other bits in the process.

“Hey, I’m not complaining too much, I make a nice living from this butt,” she tells us, “but I wouldn’t mind my pussy being the centre of attention occasionally. Or my titties. I put them all on the line for my fans.”

Indeed, and we’d like to be first in line to point out that we’re fans of the whole package.

Capri shows she's no rookie...

Most porn chicks who get embroiled in Hollywood scandals aren't exactly lookers. Capri, however, is different. The star of *Power Munch 2* and *Gag Factor 30* has already graced some of our sister magazines – what with her being a grade A cutie and what have you.

Of course, she'll probably make more money from selling her story to people interested in her recent alleged romp with Charlie Sheen which – again, allegedly – ended up with her cowering in a hotel bathroom bathroom while he went off big-style. The controversial Sheen isn't a washed-up actor – he's the highest-paid TV actor in the world, and a hottie like Capri is therefore undeniable tabloid fodder.

As for us, we don't really care what happened – we just wanted to share Capri's sunny smile, sunny tits and sunny other parts with you truly deserving *Club* readers. And, just for the record, we wouldn't mind showing her Ball Street in the future... ♣

Meet Ricky. Bianca will be along soon...

Ricky has wanted to be in *Club* so long that she's been bombarding us with phonecalls and emails. Dirty emails. Dirty emails that, let's be honest, had our desks rising.

"Hee hee, sorry," giggles Ricky, her dream fulfilled at last. "I masturbate to *Club* all the time and I really, really want to be the girl that men and women wank to. Oh god, I can't help touching myself when I think of the spunk raining down on my pages, people looking at me as they orgasm."

Yes, those kinds of emails. ♣

RATINGS: ★ ASSHOLES ★★ ASININE ★★★ ASBOS ★★★★★ ASSASSINS ★★★★★ ASS

Assassins

(Digital Playground)

So, one minute we're putting a nice new model called Britney Beth in our magazines and the next thing you know she's gone and changed her name to Bibi Jones and is the youngest starlet ever signed by Digital Playground. See, we know how to pick a winner.

Blonde, pale, big boobs – it's not a science. Here she's joined by fellow stars Jesse Jane and Riley Steele in an action-packed movie that's not short of sexy blondes making cocks go hard and then soft. Follow the plot if you like, or do what we did and just stroke your knob every time one of them do something rude. ★★★★★

My Teenage Blog

(Harmony)

Most blogs we read aren't as interesting as this one. No, they're a load of solipsistic nothing about dull events and dull people. Maybe they – and we – should get out more. The blogs the girls in this film maintain, however, are a cut above. Well, maybe. We were too busy watching them spread their legs, suck cock, get pounded and soak up gouts of jizz to really read too much of them. So – pretty girls (most of them newbies), a threeway, a little bit of bum sex and a vague nod to modern day technology. What's not to like? ★★★★★

Sprint

(Bluebird)

It's good to see British girls in a decently directed mid-budget film but, as much as we enjoyed *Sprint*, it was 'hamstrung' (more athletics puns to follow, groan fans) by the fact that the lovely Anna Lovato doesn't touch a dick in it. Yes, her lesbian scenes are very strokeable, but when she plays her part in an orgy, she gives the batons a wide berth. Still, the other girls don't, including such sweet sluts as Yurizan Beltran, who sounds like she was named after a Ukrainian tractor factory. For some, Anna's lack of length-love may be a hurdle too far. ★★★★★

RED DAWN! ♣

Katy hits the bottle...

Katy isn't going to even try and pretend she's a real redhead.

"It's straight out of the bottle," she confesses, "as anyone can tell. I'm just upset I'm not a redhead. They used to mock them at my school, but a couple of years ago I was fucking a ginger-haired girl and I fell in love with her pussy and its wispy red hair. If I could be born again, I'd be a redhead."

And we'd worship your wispy red muff.

"Thanks! Sadly, red-haired guys don't do the same for me, so I guess I'll have to stick to my current diet of red-haired pussy!"

Oh, it's a tough life... ♣

BANGED TO RIGHTS! ♣

Want to jizz on a prisoner? Here's your chance...

Take your last look at the lovely Jenny in these pages for a while, readers. We don't want to go into the whys and wherefores, but this promising babe will be residing at Her Majesty's pleasure for a little while and boy, we'll miss her.

Still, our loss is the prison shower room's gain, and we can content our feeble minds in the meantime with jokes about screws, Wormwood scrubbers, the bird of Alcatraz, stirring porridge and other juvenile prison puns. If you see this Jenny – keep your head up. And we'll come and break you out any time you want if you promise to nosh us off when we're past the perimeter. We're the ones in the helicopter with a lob-on... ♣
